## MEET OUR INSTRUCTOR:

### Justin Bailey, Heatcraft

Justin Bailey has worked in the HVACR industry for nearly 40 years. He earned his technical degree in Climate Control Technology from RETS Tech in 1984. After operating his own HVAC service company for 15 years, Bailey transitioned into education, serving as the HVAC Department Director at a technical school. He holds an unrestricted license in the state of Georgia, an Environmental Protection Agency (EPA) Universal Certification, and is an authorized proctor for EPA refrigerant certification exams.
