MEET OUR INSTRUCTOR:

Ken Darin - Key Account Manager for Florida and National Accounts, Regal Rexnord

Ken Darin of Regal Rexnord Motors represents the Genteq (Evergreen), Century, Fasco, and Marathon lines. With 40 years in the HVAC industry, Ken began in his father's contracting business in Michigan, later managing a \$25 million operation with over 100 employees. He went on to serve as a Territory Manager for Carrier and Trane before moving to Florida, where he joined AO Smith to sell and train on motors. Following AO Smith's acquisition by Regal, Ken has spent the past 16 years specializing in motors. Ken conducts over 100 training sessions annually, sharing his extensive technical knowledge and field experience with a focus on Motor Mastery and ECM Motor Application, Installation, and Troubleshooting.
