MEET OUR INSTRUCTOR:

Sal Hamidi - PED Associates

Sal Hamidi brings a strong background in the welding supply industry, with six years of experience working with leading manufacturers and three years dedicated specifically to Uniweld products. He holds a bachelor's degree in engineering and has built over seven years of combined expertise in sales, marketing, and operations. Throughout his career, Sal has served as an independent sales representative, manufacturer's factory representative, and national sales manager—giving him a well-rounded perspective of the industry. Today, he leverages this extensive experience as a sales representative for Uniweld Products.
