

## MOBILE TRAILER EVENT

# STEP INSIDE THE FUTURE OF REFRIGERATION — Explore Russell's Low-GWP Solutions & Mobile Showroom Experience!

### ATTENDEES WILL LEARN:

- **Discover Russell's A2L Product Line** – Gain insights into innovative low-GWP commercial refrigeration solutions.
- **Stay Informed on Low-GWP Regulations** – Get the latest updates that impact your business and customers.
- **Experience the Mobile Showroom** – See products up close, hands-on, and explore opportunities to bring the showroom to your customers.

### MEET OUR INSTRUCTOR:

#### Bailey-James Schommer

Bailey-James is a dedicated sales professional in the HVAC/R industry, specializing in refrigeration system sizing, selection, and contractor education. Originally from Wisconsin, he earned a bachelor's degree in Entertainment Business from Full Sail University in Orlando, FL, in 2018. Shortly after, he joined BTU Reps LLC as an outside sales representative, where he has spent the past six years gaining extensive industry knowledge. In this role, he works closely with contractors across Florida and Georgia, providing technical guidance, product selection support, and specialized training to help them optimize their refrigeration solutions.
