

## Recognizing excellence

Sea Ray is the most awarded boat brand. Ever. That's awards for quality, innovation, customer satisfaction and for having the best dealer network. A few highlights.

CSI—In the annual National Marine Manufacturers Association survey of new boaters, Sea Ray consistently earns higher Customer Satisfaction Index results in more boat categories than any other manufacturer.

Innovation—From innovative technologies like Quiet Ride to revolutionary boats like the 370 Venture, Sea Ray is a perennial NMMA Innovation Award winner.

Editor's Choice—Sea Ray consistently earns accolades from the esteemed publications, earning Boat of the Year, Editor's Choice and Notable Boats awards from the boating press.

J.D. Power—Sea Ray has consistently topped the J.D. Power survey of most satisfied boat owners.

Top 100—In the annual National Marine Manufacturers Association survey of new boaters, Sea Ray consistently earns higher.

Certified Quality—Sea Ray boats and manufacturing processes earn Sea Ray certifications, including the famously rigorous ISO 9001 quality and production standards earned by the world's best manufacturers.
