RE: Bids for Kids Charity Auction

Dear Local Business Owner,

We are gearing up for the return of our 30th Annual Bids for Kids Charity Auction. The event will be held at the E Center near the Edgewater Casino on February 4, 2022, with a tailgating theme. As the largest fundraising benefit of the year, the auction provides a significant amount of funding the Boys & Girls Clubs of the Colorado River (BGCCR) needs to provide quality after-school and summer programming for youth in our community.

While the event may look different this year, it will still feature a live and silent auction, scholarship fundraiser, 50/50 drawing, and more! New this year, will be a live band and tailgater-themed games. Along with the traditional array of sports memorabilia items, the auction boasts unique items ranging from entertainment/travel, restaurants, pets, kids, collectibles, business services, and much more!

We hope you will join us in providing bright futures for the youth in our community by providing a live or silent auction item no later than January 21, 2022. With over 600 attendees, your donation will make a tangible difference in providing youth programs. At the same time, your business will benefit from the exposure of our attendees!

Thank you so much for supporting our mission; together, we will create great futures. If you have any questions, please reach out by calling 928-763-1411 or emailing Autumn@clubriver.org.

With Gratitude,

Autumn Boyle-Robinson
