

July 18, 2017

Dear Community Partner,

On December 8, 2010, the Department of Veterans Affairs hosted a National Forum on Ending Homelessness among Veterans in Washington, DC. At this event, the Secretary introduced the Ending Homelessness Among; Veterans working Five –Year Working Plan initiative which directed the Veterans Health Administration’s Under Secretary for Health to serve as VA’s lead integrator in developing synchronized plans related to the mission to end and prevent homelessness among Veterans. As one of the 153 Veterans hospitals in our nation, the Michael E. DeBakey VA Medical Center (MEDVAMC) has taken steps toward initiating programs that will strengthen our goal of ending homelessness among our local Veterans, including the upcoming Houston Veterans Homelessness Summit.

Given your profile and knowledge of homelessness programs, it is my pleasure to invite you and your agency to our Houston Veterans Homelessness Summit, which will be held on; Thursday July 27th 2017 at 8:00 am at Michael E. DeBakey VA Medical Center (MEDVAMC) 4A-300 (Auditorium). I sincerely believe that by collaborating with you and other governmental and private-sector organizations within the Houston area, this forum will provide the needed opportunity to discuss ways to meet the challenges our local homeless Veterans face, including the core strategies Outreach, Education, Prevention, Treatment, Income, Employment, Benefits, Housing, Supportive Services, and Community Partnerships outlined in the “Five –Year Plan.”

Should you have any questions regarding this summit or need further information, please contact Greg Fulton CRRC Program Support Assistant, e-mail: Gregory.Fulton@va.gov at (713)791-1414 Ext. 27533, cell: 832-465-9223

Sincerely,

Mr. Luis Paulino
Homeless Program Director
