*Rogers Infinite data plans include 10GB, 20GB or 50GB of data at max speed on the Rogers network, extended coverage areas within Canada, and Roam Like Home destinations (see rogers.com/roamlikehome). You will continue to have access to data services with no overage beyond the max speed allotment at a reduced speed of up to 512 kilobits per second (for both upload and download) until the end of your current billing cycle. Applications such as email, web browsing, apps, and audio/video streaming will continue to function at a reduced speed which will likely impact your experience. We will send you a text message notifying you when you have used 90% and 100% of the max speed allotment included in your plan with the option to purchase a Speed Pass to add more max speed data to your plan. Plan requires registration for online billing. In all cases, usage is subject to the Rogers Terms of Service and Acceptable Use Policy, rogers.com/terms. Offer subject to change without notice. A Setup Service Fee of \$35 per line applies to setup your device and related services. Early cancellation fees apply. Taxes extra. †Where applicable, additional airtime, data, long distance, roaming, options and taxes are extra and billed monthly. However, there is no airtime charge for calls made to 9-1-1 from your Rogers wireless device.
