# THE WORLD WE KNEW THE WORLD RENEWED

**Dear WES Member,**

On Shabbat July 24, after 16 months away from our Synagogue, a small number of us returned to attend the first in-place services since March 2020. The wisdom, energy and cooperative spirit of dozens of our members gave us a sanctuary that was safe and familiar but also altogether new. Whether you were in 190 Amsterdam or whether you were on Zoom, you were at the same WES services. The High Holy Days of 5782/2021 will be part of this new tradition at WES. As we sat in the service that Shabbat, the windows created for us by Valerie Troyansky said it all: *Tradition is not just what we receive... It is also what we create.*

**Services:** Most services this year will be multi-access for members in good standing and available on Zoom for guests. Some services, namely Erev Rosh Hashanah, will be entirely on Zoom, and we will have one outdoor service on the afternoon of 2nd Day Rosh Hashanah open to all ages, including unvaccinated children and adults. Due to COVID, all in-person attendees aged 12+ of services at West End Synagogue must be masked and vaccinated. Please see the attached Schedule for specific timing for each service.

**Sign-up Procedure for Limited In-Person Participation:** Attendance at in-person services will be available to vaccinated congregants 12 years old or over. The number of members permitted to enter the building for each service will be limited (to 100 or fewer people, depending on pandemic-related conditions and government guidelines in effect in early September) to allow for socially-distanced seating.

We anticipate that, for most HHD services, the number of members who would like to attend will exceed the capacity limit. Vaccinated Members will rank their family unit's service preferences.

For over-subscribed services, we will RANDOMLY select via electronic lottery those units that can attend in-person. Family units who do not get their first-choice service will have their second-choice service prioritized. Each family unit that wants to attend an in-person HHD service will be offered at least one opportunity to do so. **Be sure to check your email soon for a detailed memo describing the ranking and sign up process.**

**All** services will be accessible by **all** members through Zoom. We will be using the newly-installed technology in our sanctuary to make the experience for Zoom participants as close as possible to live attendance in the sanctuary. We encourage everyone who has not yet logged in to one of our test "multi-access" live and Zoom Shabbat services to log in on Zoom to the next one in August (the precise date of which will be announced soon) to see how well the new technology works in bringing us all together.

**Zoom Access:** All members must REGISTER for access to Zoom services in order to receive the link to log on. Registration is here:

**[www.westendsynagogue.org/HHDregistration](http://www.westendsynagogue.org/HHDregistration).** Zoom links will be provided only to members who are in good standing by having paid their 2021 WES dues. Non-members and guests are welcome to purchase Zoom-only High Holy Day tickets (which will entitle them to Zoom access) on our sliding scale.

**Children's and Family Programming:** We will have opportunities throughout the High Holy Days for member children and teens to gather for prayer, community, and creative learning. Please note that due to COVID safety protocols, children under the age of 4 will not be permitted in the building, and unvaccinated children ages 4-11 will must remain in children's programming downstairs. Please see the Schedule for specific offerings.

**Book of Remembrance:** We welcome your loved one's names in the Book of Remembrance. If you included names in the 2020 Book of Remembrance, a copy of your entry may be found in this mailing. If not, please follow the directions on the included form and send new information to the office.

We look forward to celebrating and being together as a community in the coming year. If you have questions or special needs, please call Joan Erber, Synagogue Administrator, at 212-579-0777, ext 220.

Blessings and Shalom,

Acting President Robert Pollack

Rabbi Emily Cohen

## Chattan Torah and Kallat Bereishit

A very special West End tradition takes place every year during the High Holy Day period. Two members are honored as Chatten Torah (Groom of the Torah) and Kallat Bereishit (Bride of Bereishit). The criteria for these honors are a broad array of service to the WES community, over a number of years. The selections are made by past honorees and on Yom Kippur, the Rabbi announces the honorees' names. A special treat for the WES community takes place, when our honorees each speak about their Jewish journey to West End. Please plan to attend on this special day!
