

*Official start of summer* in Summit - Fathers Day (OK I am a bit late !) Fathers Day is the day we can safely begin to plant annuals and place planter boxes - overflowing with the colors of Summer! Speaking of Summer:

What to do in our Colorado Mountains ... *Summit County and beyond ?*

*Take a road trip* - you have done that, if you live here “part time” and have arrived!

- ☐ Go on a treasure hunt .....at the Dillon Farmers Market..Fridays
- ☐ Spend the day barefoot the Shores of LakeDillon .....or dangle your feet in the Blue River from a raft?
- ☐ Turn your jeans into cutoffs .....(are cutoffs still a thing?)
- ☐ Enjoy an outdoor concert .....Dillon Amphitheater anyone?
- ☐ Forage flowers (find at City Market) .....and make a bouquet for a friend—just don't pick the wildflowers..look and leave for others to enjoy
- ☐ Spend a lazy afternoon on a beach..... and skip rocks - stop in at the Tiki Bar, Lake Dillon
- ☐ Wake up early and watch the Sunrise..... best spots..top of Loveland Pass
- ☐ Dance under the stars, sleep under the stars ..... anywhere you like
- ☐ Catch a sunset in your mind..... Leave the camera behind
- ☐ Dine on a rooftop.. ..... the Vue in Dillon
- ☐ Have a water balloon or water gun play time..... find your own favorite place for that

Drink a tall glass of lemonade..

Eat a slice of water-melon or a juicy peach

- ☐ Spend a day doing nothing .....Don't quit until you are DONE

When it's Summer time in the mountains it's time to kick back, take it all in and reflect on how lucky we are to be surrounded by *Mother Nature's* gift to each of us .....

***LET'S NOT FORGET TO THANK HER !***
