The *American Rescue Plan*, the COVID relief and economic stimulus package passed in March 2021, includes provisions for small businesses—with specific set asides for restaurants and venues—to assist business owners in becoming current on rental payments, in addition to covering operational expenses, utilities, and other non-payroll obligations. A full list of available programs can be found on the [Small Business Administration \(SBA\) website](#). For program details applicable to your business, contact a local SBA District Office.
