

Concerts Under the Dome Presents *HANDEL'S MESSIAH*

Join the chorus for the 50th anniversary of Handel's Messiah at Saint Clement! Choristers are expected to attend all "full chorus" rehearsals and the dress rehearsal to participate in the concert. Absences will be excused on a case-by-case basis. Sectional and "catch up" rehearsals are optional and are offered for those who would like additional assistance learning their parts. **There will be no formal auditions. However, the ability to read music and/or practice independently is essential. Practice materials will be provided to all choristers.**

Please note that due to seating constraints we can only accept 65 choristers in total this year. To ensure a balanced ensemble, we can only accept a limited number in each section of the choir. Contact jkiolbassa@clement.org with questions and inquiries.
