ESG Workplan: 5 Key Pillars

Always a better solution.

Barentz.

Policies & Codes of Conduct

Sustainability Policy: Builds long-term relationships with suppliers and customers, monitoring global developments, and seizing opportunities to enhance partnerships.

Sustainable Sourcing Policy: Ensures ethical practices, reduces environmental impact, and supports workers and communities throughout the supply chain.

Supplier Code of Conduct: Provides access to top-quality ingredient solutions, promotes innovation, and emphasizes sustainable growth.

Always a better solution.

Barentz.

Certifications & Partnerships

UN Global Compact: Aligns our ESG program with six SDGs to make a positive impact.

Global Reporting Initiative (GRI): Adopts GRI standards for accurate data collection and reporting, forming the foundation of Barentz's ESG program.

EcoVadis: Partners with EcoVadis for sustainability ratings, evaluating both Barentz's and its suppliers' ESG programs.
