

Are You Interested in Owning Your Own Business?

Retail Strategies is a partner of the City of Newberry and with that, a partner of the Newberry County Chamber of Commerce. Their role is to assist the community in identifying gaps in our retail market and look fill those gaps through working with local merchants, entrepreneurs, and growing retailers looking to open a location in Newberry. Retail Strategies is in communication with national and regional franchises actively looking in Newberry to open a location and many of them need a willing franchisee to own and operate their potential store in Newberry.

If you are interested in owning your own business and becoming a franchisee, feel free to reach out to Matt Jaeger at Retail Strategies.

Start-up Costs typically start at \$125,000 up to \$3.5MM.

Retail Strategies also has access to our demographics and retail trade area market analysis. Feel free to contact Matt in regards to accessing this information.
