

# FALL NOTICING WALK FOR FAMILIES

Head together outside and notice the beauty of fall as a family. See how many you can find on a short walk. No pressure to find them all!

An orange leaf

An acorn

A pinecone

A feather

A mushroom

A squirrel

A tree branch

A squash

A hedgehog

A rake

A pumpkin

A scarecrow

- Explore together, and let everyone take a turn noticing something new.
- Look closely, but leave plants and wildlife undisturbed.
- Pause for a moment to listen, breathe, and take in the season.
- Before you head home, share one place you noticed God's presence.
