

Soul Shop™ for Mercy Schools

Faith-Based Suicide Prevention for Administrators, Faculty and Staff

Virtual Training - April 7, 11 am - 12:30 pm ET

[Register here.](#)

Soul Shop training is designed to increase awareness of the dangers of suicide and discuss the steps that can be taken to reduce risks.

Participants will learn:

- what signs to look for in a student who might be at risk,
- how to ask the question of suicide,
- about the prevalence of suicide among young people
- what the impacts of Covid have been on mental health and suicide rates among young people
- how to think about suicide theologically
- how to be a part of the solution.
