

IMPORTANT VOTER INFORMATION

Recent Florida Driver License/ID Number Changes Affecting Voters

Overview of Changes:

Florida has updated the process for issuing Driver Licenses and State IDs. If you renewed your Driver License or ID since **July 31, 2024**, your license number might have changed.

It is important to then update your voter registration or contact the Palm Beach County Supervisor of Elections Office to verify if an update to your voter registration is required. The Elections Office uses these numbers to verify a voter's identity for Vote-by-Mail requests, petitions, and other activities.

Be voter ready! Ensure that your voter registration includes your current Driver License or ID number.

Key Points:

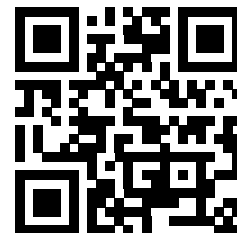

- ▶ Many voters will not be affected by this change; only those who received a new number after renewing or replacing their license will need to update their voter registration.
- ▶ If your Driver License or ID has not changed, no action is required.
- ▶ If you used your Social Security number on your voter registration, you are not affected.
- ▶ This update will not prevent you from voting in person during Early Voting or on Election Day.

Steps to Securely Update Your Voter Registration:

- ▶ Online at **RegisterToVoteFlorida.gov** (fastest method).
- ▶ Contact the Palm Beach County Supervisor of Elections at 561-656-6200.
- ▶ Visit one of our offices or an authorized voter registration agency.

Updating your voter registration is easy and ensures a smooth voting experience.
