On Thursday nights we are going to host Lifeboat Small Group Virtual Encounters. This is a new addition to our lineup but one that several of you have been asking to start for some time. These are meant to be small groups among friends that meet once a week to read the Gospel for the upcoming week, talk about current events and our

reaction to these events and finally to grow in our prayer and spiritual life. They will last around 45 minutes.

These groups will be limited to 5-7 teens max led by an adult leader. Since we need to limit the size of these groups to make them more beneficial please email me if you would like to start or join a small group (blecompte@smcr.org).

If you are a virtus trained adult and would like to start one with a small group of teens, please reach out to me. We will give you all the resources you need and offer monthly group leader training sessions to help you.

For Kids Club:

K4J Virtual Rosary and Check in - Friday Evenings

Link will be found here Friday evening: <https://linktr.ee/stmaryyouthministry>

A real bright spot for our youth program this year has been the growth of our K4J Kids club for our Prek4 - 5th grade students. This has been a wonderful opportunity for them to build new friendships, learn about their faith and have fun on Friday evenings. We thought we could do a Friday evening checking via Zoom so that the kids could see each other, pray a decade of the rosary together and each mention one intention they would like to pray for this week.

K4J Virtual Rosary and Check in will be held via Zoom and the link to the zoom meeting will be posted on our Linktr.ee account. Our Linktr.ee can be found here: <https://linktr.ee/stmaryyouthministry> and will be on all our social media platforms

I will send out an email to remind everyone on Friday Morning. If you are not receiving K4J specific emails and would like to, please let me know (blecompte@smcr.org) and I will add you to the list.

Zoom:

A little info about zoom. For all of our virtual meetings that will use Zoom, we will create a link for each meeting and all you have to do is click on the link via a PC, Tablet or smart phone. If you have the zoom app (we recommend you download it and log in) it will make it easier to access the meeting and offer a better viewing

experience. If you have any questions about how to access or download zoom, please let me know and we will help to the best of our ability.

We hope that these resources will help you to stay connected to all that St Mary Youth ministry has to offer the youth of our parish. Through God's grace we will make it through this time of uncertainty.
