

EXPLORE THE CATHOLIC FAITH

HAVE YOU OR SOMEONE YOU KNOW...

- expressed an interest in becoming Catholic?
- been baptized in another denomination but thought about becoming Catholic and have a desire to receive the Sacraments of Confirmation and Eucharist?
- have a child over the age of seven who has not been baptized?

We welcome you to come and explore the Catholic faith. Gatherings are one-on-one or in small groups. We will focus on the teachings and lived practices within the Catholic Church as well as spirituality and prayer to help you discern if God is calling you to this Faith. If you decide to proceed, we will celebrate the Sacraments of Baptism, Confirmation, and the Eucharist during the Easter season. There are separate groups for children or youth.

You are warmly invited to begin your journey of discovery with us. Come with your questions and your faith history. Come as you are, come and see. For more information, email one of our RCIA leaders, Susan Fernandez, susanmdf@comcast.net, or Vincent Falotico, vincent@brooksandfalotico.com. Inquiries can be made by calling the Parish Office as well.
