

# our dedicated registered nurse

As a valued client, we are pleased to provide you with support and assistance from our dedicated Registered Nurse, Danielle Herndon, RN, CCM – Vice President of Health Risk Management at PSA Insurance & Financial Services, our health benefits advisor.

As a Registered Nurse and Certified Case Manager, Danielle is uniquely qualified to:

- Assist you in obtaining answers to your personal medical questions
- Provide you with helpful health education materials
- Direct you to trustworthy health information resources
- Ensure that you receive appropriate disease management support from your health plan
- Assist you in locating the best healthcare providers for you and your family
- Find solutions if you have out-of-network providers

## Danielle Herndon

You can reach Danielle by calling (443)474-0532 or emailing her at [dherndon@psafinancial.com](mailto:dherndon@psafinancial.com).
