## **FOR IMMEDIATE RELEASE**

### **REFLECT ON YOUR OWN SOUL, MIND, AND SPIRIT AT “PSYCHE”**

[Whitewater, Wis., May 3, 2022] – Dive deeper into your own psyche: soul, mind, and spirit, at Roberta's Art Gallery, in the “PSYCHE,” exhibit by Liala Amin, running through May 4 – May 27. Amin's pieces in the exhibit consist of paintings of intricate details, exploring themes of personal identity, spirituality, and femininity.

Amin graduated from the Peck School of the Arts at the University of Wisconsin–Milwaukee with her Bachelor of Fine Arts in Fibers, and is currently back in school pursuing her Bachelor of Arts in Art Therapy at Alverno College. Amin is experienced in multiple disciplines of art: mixed media paintings, drawings, and textiles, with painting being her preferred medium. Amin is fascinated and pulls inspiration from female Surrealist artists, and the concept of Surrealist autonomism: a method of curation where the artist allows the unconscious mind to take the lead in the creative process.

*“And Dream Of...” By Liala Amin*

Amin's “PSYCHE” exhibit features work done by using mixed media, with most of her pieces consisting of watercolor and acrylic paint to fuel the creative process. Most pieces in the exhibit feature a face, a silhouette, or other figures, surrounded by different beautiful watercolor strokes, challenging the viewer to investigate their own psyche.
