Spring ReLeaf: Annual Gala Night and Cupcake Battle Fundraiser for Studio 84

You are invited to join Studio 84 (virtually) for our Annual Gala Night with a bonus Cupcake Battle Fundraiser on April 17th. The virtual gala is free to attend as it always has been when we gathered in person.

Since we won't be meeting in person, we knew everyone would be missing the food and especially the cupcakes. So as a fundraiser we will have bakers competing for the honor of your vote as the best decorated and the best tasting cupcakes. You can purchase your cupcake tickets on our website at www.studio84inc.org. Only 48 cupcakes tickets will be available and they sell for \$20. You will receive up to a dozen cupcakes and can pick them up curbside on April 17 from 12-2 at Studio 84. Enjoy your cupcakes as you watch the gala event. Enjoy meeting some of our artists as they talk about why they love art and a few other things. As always you can shop for all your favorite artist's items during the event.

Money raised from this event will go to help support our programming in the arts for people with disabilities.

For details on our Spring ReLeaf Gala Event and to order your cupcakes visit Studio 84 online at www.studio84inc.org.
