## SPRING 2022 PUBLIC ART PROJECT - CALL FOR ARTISTS AND SPONSORS

### Favorite Literary Works - "The Colors of Literature"

The Whitewater Arts Alliance, along with the Irvin L Young Memorial Library, want to dedicate this year's Public Art Project to the incredible works of the written word through the ages. Great literature provides us a tranquil escape, expands our mind, invokes our sense of adventure, and builds our empathy, among many other benefits.

To demonstrate our love for literature, we will provide large, wooden pages for artists to paint with their messages and images of written stories and will suspend them from the Whitewater Main St lampposts. The Irvin L Young Memorial Library will hold a workshop on Monday, May 16th at 1pm for those who would like to collaboratively decorate a page with the community. We hope you will join us, either as an artist or a sponsor, in a display of incredible literature.
