

# Youth Sports Sponsorship Opportunities

## Who will see my sponsorship?

For the past few years, Whitewater Parks and Recreation has had 150+ travel teams sign up for youth tournaments each year. This year, the City will host four baseball and six softball tournaments. Teams will travel from as far as Northern Wisconsin and the Northwest Suburbs of Chicago to participate in these tournaments. During their time here, some of these teams will be staying in Whitewater hotels, dining at restaurants and shopping at local businesses. In addition, Parks and Recreation has numerous in-house teams ranging from the Tee Ball through 8th grade. Just about every day of the week from May through July, Starin Park is host to baseball and softball competitions with teams visiting from outside communities. Overall this is a great time of year for the Whitewater economy!

## Become A Sponsor!

- Allows local businesses to reach visitors to Starin Park
- Provide quality uniforms for participants while providing local business recognition
- Continue to make improvements and upgrades to the existing ball diamonds ensuring that we have a facility that teams want to visit
- Sponsorship opportunities include team uniforms, outfield banners, tournament title sponsor, and field naming rights

## When can we see our sponsorship?
