**FOR IMMEDIATE RELEASE**

## **SHOW OFF SOME CREATIVITY WITH WARHAWK WINTER DIGITAL PHOTO CONTEST**

Whitewater, Wis., January 25, 2021 - Looking for a winter activity but are fresh out of ideas? Consider entering the Warhawk Winter Digital Photo Contest hosted by Roberta's Art Gallery and show off your creativity! You can enter photos you have of the beautiful scenery from this winter, go on an adventure and snap some new photos, or create your own snow sculpture for a photo. It could be as simple as building a traditional snow person, or as elaborate as you want it to be. Grab a friend, your family or a neighbor, get outside, and get adventuring, sculpting and snapping pictures! Remember that at least one photo of you with your snow creation needs to be included if you choose to create a sculpture, so you can enter in for your chance to win a prize.

A popular vote will be conducted to award one lucky Warhawk with the "Best of Show" title and prize. Judging will be done to determine first, second, and third place winners, who will be also be awarded with prizes. Extra points will be awarded for photo entries and snow sculptures that show Warhawk spirit. Submissions will be open to UW-Whitewater students, alumni, staff/faculty, or members of the Whitewater community from February 1-19. Photos must be taken during winter 2020-present day and fit within the theme of winter, with a submission limit of 3 photos per person. Judging/voting will take place the week of February 22 - February 26. Winners will be announced on March 1.
