

"Every Graduate an Engaged Lifelong Learner"

419 South Elizabeth Street • Whitewater, Wisconsin 53190 • 262-472-8700 • Fax 262-472-8710 • www.wwusd.org

Whitewater Unified School District is excited to inform you about our Youth Apprenticeship program!

Is your company looking for young, eager workers, ready to learn your trade? Is your company looking to mold and shape their employees for their future? Then, you may be interested in this program!

Your company will have many benefits partnering up with Whitewater Unified School District's Youth Apprenticeship program. Through this partnership you would:

- ❖ Personally shape the future workers of your company by training students from the start.
- ❖ Receive student employees chosen based on their interests in your field.
- ❖ Address future hiring needs in a cost effective and timely manner.
- ❖ Receive student employees who are interested in your company as a career and are selected by the school district to be mentored by someone within your company.
- ❖ Receive students classified as student learners, who can start working prior to turning 18.
- ❖ Have student workers who are receiving related instruction, taught concurrently in the classroom and on the job.

Wages are paid by your company to the student at minimum wage or better. The students who will be working with you are juniors and seniors. If this interests you please contact Whitewater Unified School District's Family/Community Engagement Coordinator, Molly Fuller at mfuller@wwusd.org.

We can set up a meeting to further discuss all the unbelievable opportunities Whitewater Unified School District's Youth Apprenticeship has to offer.

Sincerely,

Molly Fuller

Family/Community Engagement Coordinator
Whitewater Unified School District
