America's Got Talent Finalists CATAPULT Bring their Illuminating *Magic Shadows* Performance to Young Auditorium!

Wednesday, November 3rd at 7:30PM – General Public Tickets Sold Out

Whitewater, Wis – You'll never figure out how they do it, and you won't know what they will create next! The dancers of CATAPULT bring their one of a kind *Magic Shadows* performance to Young Auditorium on Wednesday, November 3rd.

With the arc of an arm, the point of a toe or a twist of a torso, the shadow dancers of CATAPULT stretch their bodies and your imagination with their signature brand of silhouette-based storytelling. Working behind an illuminated screen, dancers work together, transforming from dogs to dragons, bicycles to helicopters, and more! These America's Got Talent finalists will leave you spellbound with their one-of-a-kind art form.

Tickets for the general public are sold out...but select seats are available for students enrolled in UW-Whitewater's 'World of the Arts'(WOTA) program. Eligible students can visit the WOTA course website provided by the College of Arts and Communication...or contact UW-Whitewater Ticket Services for more information.
