

BEYOND THE REGS:

A CONFERENCE ON INNOVATION & ADVOCACY FOR HOUSING

SPONSORSHIP PACKET

Dear Partners and Sponsors,

As we continue to prevent new HIV infections in the United States and build off successful care and treatment models implemented nationwide, the National HIV/AIDS Housing Coalition (NHAHC) **advocates for housing, policies, and resources to advance the health of people living with HIV.**

Housing continues to be the number one unmet need for people living with HIV, with an estimated 27% of PLWHA needing housing assistance.

Old models are out. Housing First and inclusive models are in. Dilapidated apartments run by slumlords don't cut it. Innovative, new construction housing developments are changing the landscape of housing for prevention and treatment of HIV. The HOPWA program is unique and essential, but under-funded. Ryan White and Medicaid are now viable funding sources.

NHAHC's inaugural conference, "**Beyond the Regs: A Conference on Innovation & Advocacy For Housing**" is an opportunity for housing agencies and case managers to engage in learning and discussion on emerging best practices to provide housing-- both for prevention and treatment. Workshops will include topics on PrEP + Housing, Braiding Streams of Federal Funding, and more. We will conclude with a plenary luncheon focused on Advocacy-- to learn the importance of federal appropriations of HIV programs and the essential tools for making change.

This conference will be held October 20th & 21st, 2024 in Washington, D.C. prior to HUD's HOPWA Institute at the Washington Hilton. Over 1300 people are expected to be in attendance. We hope to capture at least 200 people to attend **Beyond the Regs.**

I hope you will join NHAHC in supporting this inaugural conference as a sponsor. Please reach out with any questions.

In Partnership and Gratitude,

A handwritten signature in black ink, appearing to read "Lauren Banks".
