

# Global Citizenship Lesson Plan

Grades 9-12 activities for the Sustainable development goals

01

Check your knowledge of the SDGs with this [Quiz](#) or play the [Go Goals Digital Game](#)

02

Explore the local in the global by carrying out a survey in your local community. Take photographs or draw rough sketches that identify needs and challenges linked to SDG themes. Discuss and decide what the priorities for your community are before considering possible approaches for making positive changes.

03

Use the [SDGs in Action App](#) to share thoughts and action ideas about the SDGs as well as virtual classroom tools to connect with young people in other parts of the world.

1/2

# Global Citizenship Lesson Plan

Grades 9-12 activities for the Sustainable development goals

04

Write a leaflet, poster, newspaper article, or letter that persuades others to take action to protect life on land and below water. Students should make their case using concrete examples and supporting evidence.

05

Take Action and help achieve one of the Sustainable Development Goals on the list by taking action yourself! Check out the links and see how you and your students can help just by doing the simplest of things.
