

Voices Rising

A Benefit Concert for San Antonio's Hungry and Homeless

St. Mary's University students and faculty from the Greehey School of Business, the School of Music, and Communications Studies are participating in a Service-Learning fundraising project to support Visitation House Ministries and Meals on Wheels of San Antonio.

This joint fundraising benefit concert, "**Voices Rising**", will air on Sunday evening, November 29, and again on *Giving Tuesday*, December 1. It will feature music from a variety of professional musicians representing a number of music genres. The concert will also include performances from the faculty and staff of the St. Mary's University School of Music.

Visitation House Ministries has been in operation for 35 years, enabling mothers and their children to live in safety and security in transitional housing, while providing supportive services including educational assistance to those who are experiencing homelessness or are at risk. Many of their clients have been victims of domestic violence. Learn more at <https://visitationhouseministries.org/>

Meals on Wheels San Antonio has been working to eliminate hunger in San Antonio and surrounding counties for the past 43 years. MOW alleviates isolation, and foster independence in our community. It supports seniors in the community by providing healthy meals, giving hope to the homebound, offering AniMeals for pets, and safety checks for those living in isolation.
