About LRSCF
The Laguna Road School Chorus Foundation (LRSCF), established in September 2010, oversees management & fundraising efforts of the chorus. LRSCF's mission is to provide an opportunity for elementary school children to participate in a choral organization for a deeper appreciation of choral art and first-hand experience of making fine choral music together while developing musicianship through artistic performances of selected choral repertoire from different periods of music history. LRSCF's vision is to develop a choral organization to participate in local, state, national, and/or international competitions.
