Dear Laguna Road Friends and Family,

This year the SOS Foundation has **EXCITING NEWS!** We have listened to our school community and we are combining our SOS fundraisers and Class Enrichment Donations into **ONE ANNUAL CAMPAIGN!**

We are asking for more money than we have in years' past. It is because this year's annual campaign will cover class enrichment that is normally requested at every grade level **AND** the amount of money normally fundraised at other events. We want to simplify the process of fundraising and focus on supporting our school!

Our goal for this year is outlined below:

Need	Amount Needed per child	Total Needed
Class Enrichment <ul style="list-style-type: none">• Field Trips• Walkthroughs• Experiential Learning• Miscellaneous "above and beyond" supplies	\$70/child	\$49,000
STEM Instructional Resource	\$37/child	\$25,000
iPad Replenishment/Support	\$53/child	\$35,000
STEM Curriculum and supplies	\$20/child	\$13,600
Tech support and resources	\$10/child	\$6,800
Total	\$190/child	\$129,400

In addition to our new all-encompassing fundraising goal, we have also added options for making your donation, including recurring monthly payments, to make donating easier on you and your family. These options are outlined on the next page.

We understand that you have a choice where to spend your hard earned dollars and how to give. Your support to our school is invaluable, and makes a practical impact on your child's experience at Laguna Road. Every dollar counts! We cannot do this without your support.

Sincerely,

Christina Takaki
