CLASS SELECTION: ☐ Math Olympiad ☐ FUNctional Math

Math Olympiad – Wednesdays 1:05-2:05 **Dates:** Nov. 1 – March 14 **FEE:** \$450

All 4th, 5th, and 6th grade students are invited to prepare and compete. This program includes training to introduce math concepts and to develop problem-solving strategies that will both help students perform well on the five monthly contests and foster math ingenuity and joy in the love of learning.

FUNctional Math – Thursdays 3:05-4:05 **Dates:** Nov. 2 – Jan. 25 **FEE:** \$250

Recommended for 3rd and 4th grade students, this enrichment program will teach students mental math and data analysis techniques; pre-algebra, algebra, and geometry concepts; and approaches to word problems.

Please make checks payable to: **Tutor U**. For more information regarding these classes or our upcoming 2018 classes (FUNctional Math II and Algebra) or for payment arrangements, call Chris at (909) 702-2135.

\$54 of each Math Olympiad fee and \$30 of each FUNctional Math fee will be donated to Laguna Road.
