

## **HR Compliance Solutions & VComply a New Joint Venture to Help Employers with their Compliance Needs! Launching in Mid-June 2019!**

Hello HR Compliance Solutions, Friends, Clients and Employers!

We've officially launched a joint venture with VComply and wanted to share this momentous occasion with all the friends, clients and Employers of HR Compliance Solutions, LLC.

HR Compliance Solutions, LLC takes their partnerships very seriously and rarely establishes partnerships except with a company that provides quality compliance services which supports our clients needs with Governance, Risk and Compliance (GRC) solutions. The combination of compliance consulting & online training and GRC services.

VComply builds a robust internal control framework and establishes a culture of good governance within an organization. Whether your compliance needs are for HR Policy Development, Performance Management, Vendor Management or Auditing and Internal Controls, VComply has a solution that is user friendly, robust and experienced in digital controls on the cloud <https://www.v-comply.com/> .

VComply is an online platform that has been built to increase workplace functionality for all GRC by building a robust internal control framework and encourage a culture of good governance within your organization.
