

St. John's Spirit Week: A Celebration of Our Five Gifts

January 28th- February 1st

Spirit Week 2019 will kick-off with our Walk for Wamunyu Event and close with an All School Chapel. Throughout the week the students will learn about the Five Gifts that St. John's gives to its students. Students will work with their teachers to create a school wide mural in the hallways to depict what St. John's means to them. The Student Council will give a special recognition award to each class. Please help your children to fully participate in this upcoming Spirit Week by helping them to wear either a specified color from our school emblem or Spirit Wear Clothing each day. Lower School students should wear their PE bottoms and tennis shoes all week with the specified shirts.
