Exciting one day Coding Workshop for Middle School Girls

def she codes art:

Location: Microsoft Building 30
3910 163rd Avenue NE, Redmond 98052, WA
Date : April 13th, 2019, 10AM-3PM

Website Design & Art

- FREE one day Coding Workshop for girls in Grades 6-8
- Explore the intersection of website design and art in this fun workshop!
- Girls will learn about website design, code their own websites in HTML/CSS on art-related themes and needs, and present their final websites.
- No prior coding experience is necessary.

Spots are limited. Register NOW by April 1st at:
website-design-art-workshop.eventbrite.com
