

Poinsettias and Wreaths Pickup, Tuesday Nov 30th!

Thank you very much for supporting the IS 2022 class by purchasing poinsettias and wreaths and making the fundraising successful. We have sold 508 poinsettias and 122 wreaths. Yay!

Pick up for Poinsettias and Wreaths will be on Tuesday Nov 30th between 10:30am to 2:30pm at International School. It will be a drive-through pick up this year. People can coordinate and arrange one person to pick up multiple orders. But please make sure you know the names of the people who placed the orders.

Please read through the logistics below.

1. Please prepare a sign with **the name(s) who placed the order** and place it on the front window by the passenger side. (Please your name in a big font, so we can see the name.)
2. You will see couple of tents set up past the main entrance to the school. Please pull up to the volunteer and we'll confirm your order.
3. If you feel comfortable, we can put your plants in your car.
4. Students who drive to school can pick the orders up **during the lunch time (1:00-1:30)**. Just come by to the volunteers outside and give them the name of the person who placed the order.
5. Please wear a mask for your and our safety, Thank you!

If you have purchased a poinsettia/wreath for a teacher or staff, we will handle the distribution for you. We will have a tag saying "From (Name of the student)" for your gift plants unless you specified otherwise in the order form. If you would like to attach a personal card from you, please bring it with you and give it to the volunteer. We will attach the card to your purchased plant for teacher/staff.

We need everyone to come during the pick-up time on Nov 30th to get your plants as this is our only official pick-up time. Thank you very much for your understanding and cooperation!

If you have any questions about the plant pick-up, please contact kayokoprice@comcat.net.
