What should my student do if (s)he forgot his/her laptop?

We do not have extra laptops for forgotten devices, but parents are welcome to drop-off laptops in the office. There is a clipboard in the office for parents to note time of drop-off and student's name on the clipboard (students will need to sign that they received the laptop). Laptops will not be delivered to classes; students will need to pick them up during a break between classes.
