CISCO COMPLETES THEIR TRIP TO ANTIGUA WITH GREAT SUCCESS

On February 17, at 10:30 p.m., the CISCO students left Seattle International Airport and traveled through the night and next day to Antigua to begin their work building computer labs for students in the elementary and high schools. The students were able to provide labs to many schools and laid internet cable. They distributed 1,200 laptops that were donated.

Each day they woke up and began their day at the Rotary House in Antigua and received their assignment. The Rotary provided the students a

luncheon on February 22 to honor them and the work they have done over the years supporting their local schools. A big thank you goes to Mr. Jeff Mason and Mr. Mike Hansen for all their work getting the students ready for the trip and all the organization needed to get this project approved by the School Board and district, and to all the students who spent their mid-winter vacation working every day to help support students and schools in need. WASHINGTON STATE DECA PRESIDENT AND AREA 4 PRESIDENT ELECTED FOR THE 2023-2024 SCHOOL YEAR – CONGRATULATIONS!

Congratulations to **William Chang**, Bellevue High, who was elected to serve as the 2023-2024 **Washington State DECA President** for the upcoming school year.

Congratulations also goes to **Sidhya Ganesh**, Interlake High School, who was elected as 2023-2024 **Washington DECA Area 4 President**.

Here is their story, written by Sidhya Ganesh:

Washington DECA is an organization that caters to over 13,000 students as well as over 170 school chapters. The state is divided up into 11 'areas' which are geographic zones within which there are a series of schools. Area 4 is one of the largest and most competitive areas in Washington State, and a total of 10 schools and thousands of members fall into its jurisdiction.

The prestigious Washington DECA 'State Officer Team' is made of the Area Presidents from each area (elected at Area Conferences) in addition to the State president (elected at the State Conference). The two elections are separate, and members have the choice to run for either Area President or State President. The State Officer team is in charge of organizing all statewide conferences, ensuring competition preparedness for all WADECA members in the form of resource distribution, and general advocacy for all members to enable their success. The State Officer team theme for this year is "Team Accelerate" and William & I look forward to enabling members to accelerate their futures and progress this coming year.

The selection process to be elected to the State Officer team is incredibly rigorous, with panel interviews, essay applications, a rigorous exam, and a campaign/speech & actual voting by members being just some components to pick the best candidate from the series of applicants.

The election of William & I to the State Officer Team is a moment of pride for us, as we are able to bring BSD into statewide leadership after a long time. William is the first State President from BSD after 8+ years, and I am the first Area 4 president from BSD after 4 years. This is also the first time in the last 8+ years that there have been 2 State Officers from the Bellevue School District!

Both William & I would have been unable to achieve this massive victory without the help of our amazing advisors (Interlake HS: Aric Weiker & Lasinnda Thoreson, Bellevue HS: Tammi Riggers) and YOU Mrs. Henselman, for providing us with CTE clubs and opportunities for us to grow as individuals.

SUCCESS AT THE DECA STATE CAREER DEVELOPMENT CONFERENCE

On Friday, March 3, more than 4,000 DECA students from across the state competed at the State DECA Career Development Conference held at the Meydenbauer Center. Students have approximately 59 different events to choose from for their competition. Each event has from 45 to 90 individual competitors or teams. The top 10%-15% of competitors from each event qualify for the International Career Development Conference (ICDC) in Orlando, Florida. CULINARY ARTS – WANIC – COMPETES IN PROSTART INVITATIONAL

On March 4, Chef Tracy Green, Culinary Arts Instructor, took her students to the Prostart Invitational to compete against other culinary programs throughout the state. The students had great success and will be moving on to the National ProStart Invitational competition in Washington DC in May. They placed first in the state!

They are from left to right:

Armaan Virk (SHS), Porter Neuman (NHS), Wesley Zhang (NHS), Brady Talich (NHS), Cameron Poad (NHS).

INTERLAKE FUTURE FARMERS OF AMERICA (FFA) PLACED 2ND IN EMPLOYMENT SKILLS CAREER DEVELOPMENT EVENT

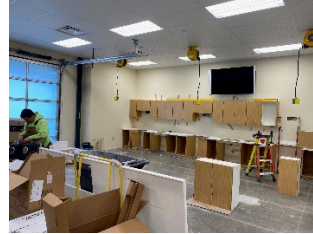

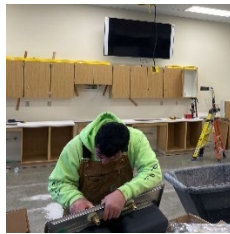

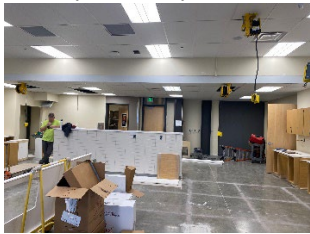

Sanjit Masanam placed second in the two preliminary events for the Employment Skills Career Development Event held at Cedarcrest High School and Snohomish High School. When asked why he elected to compete in Employment Skills Sanjit said, "I wanted to improve my interview skills and this event certainly has taught me how to effectively interview in order to get a job." The team did not make it to state, but for their first FFA competitive event, this was an amazing showing! Lisa Lindholm is the advisor of the FAA Chapter and runs the Horticulture Program at Interlake High School.

SAMMAMISH HEALTH CAREERS PROGRAM GETS A \$200,000 GRANT!

WANIC Health Careers received a \$200,000 grant to purchase new equipment and materials to help provide students the most up-to-date equipment and resources. This grant will make a huge difference for the program. Congratulations!

SAMMAMISH CULINARY PROGRAM IS COMING ALONG!

The new Sammamish Culinary program will be open for the Fall of 2023-2024. Don't forget to register for Culinary Essentials 1 and 2, as well as, Baking and Pastry for next year!

SAMMAMISH HIGH SCHOOL AVIATION PROGRAM IS SET TO START IN 2023-2024

The new Launching into Aviation is ready to start the new school year at Sammamish with the hopes of becoming a 2-hour Satellite program the following year for all students in the district to take advantage of. The program received a \$17,000 grant to purchase simulators to help get the program up and running. Don't forget to sign up for Launching into Aviation 1 and 2, which will have two new classes beginning in 2024-25 called Introduction to Flight & Aviation.

INTERLAKE CORE PLUS CONSTRUCTION RECEIVES GRANT MONEY TO BUILD AN OUTDOOR FACILITY

Claudia Baldacci, King County Council Member, visited Interlake High School on March 13 to see the program and the work being completed in the classroom. Back in October, Baldacci provided \$250,000 to help build an outdoor facility for the Core Plus Construction program. Over the last several months the architects have been working with the staff, facilities and the CTE Director working on a design. The project will become a major build for the students who will be in the program next year. Not only will they work on tiny homes for the homeless but will also be working on this new facility. This will be a great project for students to work side-by-side with contractors learning the construction process. The Welding Fabrication program and the Digital Media program will also be involved in portions of the project.

(Students with Claudia Baldacci)

(Thomas Wadkins, Cyndi King, Billy Selset)

WANT TO EARN COLLEGE CREDIT?

Pacific NW College Credit is simply college credit through a consortium of colleges. The colleges that are part of this consortium and serve Bellevue School District students are Bellevue College, Cascadia, North Seattle, Shoreline, Lake Washington Institute of Technology, Renton Technical College, and Edmonds College. **This year the cost is \$50.00 for an entire year of classes, as many as you can take from the list below!** Students can earn college credit while taking classes at their high school but must maintain a “B” or better grade to qualify. All classes are on campus in Bellevue School District, not at the colleges. They are classes right here! Please check the list below and see if your son or daughter is in one of the classes currently. If so, they can earn college credit.

**The list below is continuously being evaluated by the colleges. Some changes can occur!*
