

Hey Titans!!

The Snowflake Food Drive is happening November 28th – December 2nd. This year International School is partnering with [Renewal Food Bank](#) to collect food for the hungry in East King County. Each grade level will be electing a representative to promote the collection of goods. The grade level to collect the most donations will have their representatives crowned king and queen of IS. This is one of the oldest traditions we have at IS and definitely one of the most important. Please keep in mind that many people rely on Our donations, So everything you bring helps So much! Have fun and get those points for your grade!
