FAMILIES HELPING FAMILIES

Thanksgiving Food Drive

LET'S CELEBRATE!

For the past 10 years, the Families helping Families Thanksgiving Food Drive has been steadfastly dedicated to providing meals for hardworking and deserving local families. Our goal is to provide local families with something to be thankful for on Thanksgiving, by providing a full traditional Thanksgiving meal for the family to enjoy. If your family is experiencing economic hardship and would like to receive a traditional Thanksgiving Meal, please complete the application form below.

We can only provide meals to families that *are not receiving* from another form of assistance for Thanksgiving.
