

CTE SPOTLIGHT

CAREER AND TECHNICAL EDUCATION, June 2023

Marilyn Henselman
Director of Career and Technical
Education Programs

CONGRATULATIONS TO THE CLASS OF 2023!

Best wishes on a bright future!

TIME TO SAY GOODBYE!

Each year our senior class leaves the halls of their high schools moving towards a future that only they can determine. College, Trade School, Community College, work, military, etc. They have worked hard over the years studying and mastering many subjects. Now they can pursue their individual dreams and hopes. We wish them success and a bright future. The road ahead will not always be smooth, but each bump in the road builds resilience and strength.

In June it is a time to celebrate not only our Senior Class and all their accomplishments, but it is also time to wish our retiring teachers who have many years of experience teaching in our district and others farewell and wish them great success as well.

Retiring:

- **Grace Brady**, CTE Curriculum Developer
- **Marilyn Henselman**, CTE Director
- **Kim Herzog**, Sammamish High School, Science/STEM Teacher/Robotics Coach
- **Jeff Hunsberger**, Tillicum Middle School, STEM/Engineering Teacher
- **Rick Kilcup**, Newport High School, Teaching Academy Teacher
- **Pete McCue**, Bellevue High School, Automotive Technology Teacher
- **Steven Westerside**, Odle Middle School, STEM/Engineering/Computer Science

Best wishes to our seniors and to all our retiring CTE teachers!

CONGRATULATIONS!

DEBRA MURAN SCHOLARSHIP WINNER KELLY BRANDT

Kelly Brandt, who attends Sammamish High School, received the Debra Muran Scholarship for pursuing a nursing/health careers field after graduation. Students must have a minimum 3.0 gpa, complete the 3-hour Health Careers class, and be accepted into a nursing program.

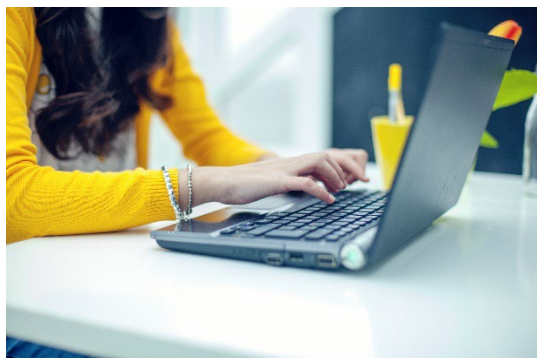

Kelly will be attending Gonzaga University as a direct admit to the nursing program. Kelly was in the 3-hour Health Careers program her junior year where she received her Certified Nursing Assistant Certificate. She was the co-president of her HOSA chapter, which is a club the Health Careers students participate in. After completing the program, she spent her senior year working as an Assistant Living Caregiver.

According to Kelly, "The course turned out to be unforgettable, reinvigorating my drive to support others, and confirming my ambition to become a nurse. Now, working as a CNA in an assisted living facility, I support elderly individuals with daily care needs that they are unable to provide for themselves.

I know that as a nursing assistant, I am in the unique position of being able to change what type of experience the individuals are having." Congratulations to Kelly for her hard work and commitment to the health careers field—best wishes as you pursue your dream! The Bellevue Schools Foundation is instrumental in administering the scholarship funds to all recipients of the Debra Muran Scholarship.

WANIC SUMMER PROGRAMS SCHOOL COMPUTERS NEEDED!

Are you enrolled in a summer WANIC class this summer? If so, make sure you keep your laptops. **If you are an incoming 9th grader**, you will keep your laptops as well. You will return your computers when you return to the high school in September. If you need any assistance with your computer, Sammamish High School will have tech support for all students from July 10 – mid-August from 9:00 a.m. to 12 p.m. **Eighth graders keep your laptops, do not turn them in at the end of the school year if you are enrolled in a summer WANIC program!**
