

French 1A Summer Course

Join us for a fun-filled two week intensive introduction to French!

Objective

For students to gain confidence in the French language and present the background knowledge they need to be successful entering French 1b

When entering International School at any grade higher than 6th, students are automatically placed in **French 1b** (with the 7th grade class) and must do remedial work during the school year to study 1a. This means they are sometimes pulled from classroom activities to fill in knowledge gaps.

For who?

This course is for students 7th grade or higher, entering International School with no previous experience with French AND/OR for students of all ages needing a refresher in language basics.

When?

August 7-August 18

8:30 am - 12:30 pm

Note: Friday August 18th we will end at 2:00 because of our field trip to Lynn's Bistro in Kirkland!

Where?

International School

Cost: \$225/student

Scholarships available

What will we be doing?

Games! Songs! Conversation partners! Eating pastries! Making crêpes! French sports! Field trip to a French restaurant in Kirkland!

Subjects covered:

Greetings and basics, family, friends, school, activities and likes/dislikes and appropriate grammar

Why should my student take this course?

- When starting the year at IS, it allows students to participate fully in classroom activities with their peers without the language or confidence gap
 - It is a great introduction to French culture
 - It is more affordable than a year of independent tutoring

Students must attend the whole two weeks to be able to enter at a 1b level
