Bellevue Schools Foundation Presents

Education Connections

2025-2026 SERIES

Look for the Helpers

TUESDAY OCTOBER 28 | 6:30PM – 8:00PM

Rainier Room at WISC
12241 Main Street, Bldg. #1, Bellevue, WA 98005

"Look for the helpers. You will always find people who are helping."

– Mr. Rogers

When life gets overwhelming, kids don't always turn to a counselor or parent first. They turn to the adults they know and trust: a **sports coach, art teacher, robotics mentor, or music director**. These everyday heroes often become the first step on the path to support.

Join us for a warm, informative evening centered on **supporting student mental health** through trust, relationships, and the power of connection.

Panel Conversation Facilitated by Dr. Kelly Aramaki, BSD Superintendent

Meet the trusted adults students turn to for support. Learn how to help your child get involved and how to be a supportive presence, and find resources in times of crisis

With recent budget impacts to MHAT services, families may be unsure where to turn.

At this event, you will gain step-by-step help accessing mental health care, school-based support info, take-home resources, and connections to community programs.

Every student needs support. Every adult can help.
Free and open to all BSD families, staff & community.
Let's build a caring, connected community for our kids.

RSVP here!

Each speaker shares their perspectives on a complex topic. We offer each talk as a starting point for a community conversation, and the opinions expressed by the speakers do not reflect the opinions and beliefs of the Bellevue School District, the Bellevue Schools Foundation, or the Bellevue PTSA Council, including all associated volunteers and staff.
