Thursday February 13th, 2020
The Commons, International School

Call to order: 6:01pm

Attendance: See sign in sheet. Quorum Present.

Meeting was announced to membership in ISPTSA Electronic Newsletter – Monday Messenger - for two weeks prior to meeting date.

Welcome to General Membership by Azfar.

- Introduction of our new counselor, Kerince Bowen

IS Update by Principal Tara Gray

- Online safety a serious concern – BSD has many processes in place to help keep kids safe, including Gaggle which helps school monitor areas of concern eg vulgarity, harassment etc. School computers are treated like a work computer and kids are aware of the fact that the content on there isn't confidential
- Excited that IS will be rebuilt in the near future, but there is no additional information to share at this point
- Focus Week – only 26 donations to date – asking for \$200 donations (average cost) – suggested it may be possible that it wasn't clear enough what the donation actually was. Suggestion to provide details of the actual cost for the programs so that parents can see what the cost is for their students, making the donation more real. CTE requirement satisfied in Junior and Senior year. Discussed how to get parent involvement in Focus Week planning. Tara still pursuing discussions with BSD but currently have no other source of funding. Suggested we start now on planning for next year, and bring parents into the conversation to help make Focus Week stronger – perhaps a brainstorming session?
- External speaker - Debra Health Educator for King County – gave an update on Coronavirus. There have been no people sick with COVID-19 in King County and only 13 in country.
