Get to know our program…
Spring-Ford Basketball

To Our Faithful Supporters,

We would like to take this time and thank you for supporting our Boys and Girls Basketball 11th Annual Golf Outing at Turtle Creek Golf Course on August 15th, 2025. Your participation is greatly appreciated by both of our programs. Here at Spring-Ford, we take great pride in our student athletes and their ability to compete both in the classroom and on the field of play.

The type of success we expect within our respective programs require a great deal of commitment from our players and staff. As a result of our accomplishments, we have been extended opportunities that we believe can benefit our athletes and programs.

In order for us to take advantage of these opportunities, we need the assistance and generosity of people like you. Your partnership in events such as this will help defray expenses associated with travel, invitational tournaments and camps.

Once again, thank you for support and look forward to seeing you at the outing.

Sincerely,

Joe Dempsey
