Marlboro Youth Exchange Program (13-18 years old)

Our community in Marlboro, New Jersey has two sister cities that participate in our Marlboro Youth Exchange Program. One is Nanto City in Japan and the other is Wujiang in China. This summer, Marlboro middle and high school students were traveling to Japan as ambassadors of our town and hosting Japanese friends in their homes. Next year, students from China will travel here and students from China will be staying with Marlboro families. The value of the student exchange is an experience of a lifetime as there is no better way to learn about another country, its customs, and the way of life of its people. The mixing of cultures and backgrounds provide young people with an unforgettable awareness of lifelong appreciation for each other. Everyone in the family benefits from a new understanding and friendships blossom.
