The name of the Association shall be the Ohio Horseshoe Pitcher's Association (hereinafter referred to as The Association or OHPA).

Any reputable person may become a member of The Association by the payment of State and National dues as fixed by The Association and The National Horseshoe Pitcher's Association (NHPA). Annual dues include NHPA liability insurance.

Section 2 - Adult Dues

Dues for adult members are NHPA dues in addition to State Association dues.

Section 3 - Junior Dues

Dues for junior members are NHPA only. No State dues are charged for juniors. Boys and girls are eligible to compete as juniors up to and including the entire calendar year in which they turn 18 years of age.

Section 4 - Dues Payment Dates

NHPA cards issued to non-residents shall require that the recipient pay NHPA dues only, and be given a receipt for said payment. NHPA dues shall be forwarded by the Ohio State Secretary-Treasurer to the NHPA Secretary-Treasurer along with the name, address,

and card number so that the Charter of legal residence may be notified of collection of that Charter's dues.

Section 6 - Medical Exemptions

The Official Rules of Horseshoe Pitching states that "All Open Men and Senior contestants shall observe the 37-foot foul lines. Physically impaired males in these categories may be given permission by the governing NHPA officials to move onto the extended platforms and observe the 27 foot foul lines." (See Rule 1, Section E, number 2) The NHPA has further delegated the responsibility of this decision-making to the various State Associations for acceptance or denial. The Executive Council of the Ohio Association has made this process more formal by the creation of a form, which will also serve as an official record. The steps of this process are outlined on the form, which is available, upon request, from the State Secretary. A pitcher cannot pitch from the shorter distance in any sanctioned event before permission is granted by the Ohio Executive Council.

Section 7 - Suspension

Any pitcher under suspension by either the NHPA or the OHPA shall not be permitted to pitch, keep score, enter the court area or otherwise participate in any sanctioned event held or sponsored by the OHPA. In addition, any member may be suspended for:

- a) Willfully violating any official playing rule or Bylaw of The Association or of the NHPA (See Playing Rules - Introduction).
- b) Fixing games, cheating, or any other conduct unbecoming a member.
- c) Placing a bet of monetary value on a contestant or self when participating in a competition.
- d) Using an unsanctioned or altered shoe in a sanctioned tournament.
- e) Forfeiting in a tournament for an unapproved reason.

Suspensions shall be considered by the elected State Officers after receipt of written complaint by a bona-fide member of The Association or NHPA stating the rule allegedly violated. The suspension, if approved by a majority of the State Officers, shall be in effect for one year or until the next annual convention at which time the suspended member may appeal to the Convention for reinstatement. Additional suspensions shall be determined on a case-by-case basis, by the Ohio State Officers. Letters of suspension shall be mailed by The Association Secretary-Treasurer to all clubs in the State.

Section 2 - Bidding Process

- a) A city or organization desiring to hold the State Tournament shall place its bid in the hands of the OHPA Secretary/Treasurer by the 15th of March, two years in advance. The OHPA president shall designate one or more members of the Executive Council to open bids after he/she has determined that these members shall have no conflict of interest in the matter. No bids will be considered unless all of the following conditions are met:
 - 1) The facilities available for conducting the tournament are stated.
 - 2) A minimum bid of \$1500 in cash is offered.
 - 3) A minimum payment of one third (33%) of the total cash bid shall accompany the bid. This deposit is refundable, after the Convention, to the unsuccessful bidder.
- b) The Convention shall award, two years in advance and by a simple majority vote, the privilege of conducting a State Tournament. If three or more sites are bidding and none receives a majority vote, the two sites receiving the most votes will have a runoff in a second ballot. In case no State Tournament bid is received by the OHPA deadline, the Executive Council has the authority to award the Tournament for that next open year only.
- c) Bidders who are awarded the State Tournament must sign a contract that, among other things, requires the total bid to be paid at least one year prior to the tournament dates.

Section 3 - Dress Code

All pitchers competing in the State Tournament must have, as a minimum, their last name and City or State abbreviation professionally lettered on the back of their shirts. Entry into the State Tournament shall be based on NatStats records. The tournament director shall obtain these records the day after the tournament deadline and place participants into classes based on these records. A minimum of three (3) sanctioned events in the preceding twelve (12) months is required for entering. However, a pitcher without any previous record or who has not participated in three sanctioned events in the preceding twelve months, and who wishes to pitch in the State Tournament, may pitch 100 qualifying shoes in the presence of any sanctioned card holder or league or tournament director prior to the entry deadline. He/she may also present official records from any non-sanctioned event held during the preceding twelve (12) months. The State Tournament director shall then place the pitcher in a class which, in his/her judgment, most closely approximates the pitcher's ability. If the pitcher has pitched in 1 or 2 sanctioned or non-sanctioned events, those events shall be averaged with the 100 qualifying shoes-average to establish a ringer percentage.

Section 6 - Residence Requirement

In order to pitch in the Ohio State Tournament, a pitcher must meet the legal residence requirements stated in Article 3; Section 5, must be a sanctioned cardholder, and must additionally have lived in Ohio for a minimum of 90 days prior to the event. Section 7 - Presentation of Awards

At an appropriate time during each State Tournament, a brief meeting will be announced to present awards, remember deceased pitchers, make announcements, and inform those present of any news of importance to the membership. Times for these presentations and announcements will be set by the Executive Council after consultation with the Tournament Director and/or the host site committee.

ARTICLE 7 - RULES OF PLAY

The official rules for pitching any sanctioned horseshoe tournament in the State of Ohio shall be governed by the most recent Official Rules or Bylaws published by the NHPA except where Ohio rules are published to cover specific needs and do not constitute a violation of NHPA rules which would endanger the status of the Ohio Charter.

ARTICLE 8 - STANDING COMMITTEES

Standing committees, appointed by the President, shall be composed of one or several persons and shall be the following:

Other than as indicated in Article 9 (Sections 1 and 4), these bylaws shall not be amended except in odd-numbered years. The Bylaws Committee shall review and accept written suggestions for revisions to the Bylaws in the interim. All proposed revisions of the bylaws shall be received, in writing, by the Bylaws Committee prior to March 1st of the year when voting takes place.

Section 3 - Publication of Proposed Revisions

Any proposed revision or amendment to these bylaws shall be published to the general membership prior to being considered by the Convention and shall have been considered by the Bylaws Committee and the Executive Council before publication. Both the existing and new text shall be printed for comparison. This publication shall constitute notice to the membership that the amendment(s) to the Bylaws shall be voted on at the next Convention. If possible, publication shall be through the *Ohio Horseshoe Newsletter*.

Section 4 - Emergency Revision or Amendment

Sections 1 and 4 of this article are exceptions to Section 2. If, during the course of a Convention, an issue is raised which requires an emergency/urgent amendment or revision of these Bylaws, the emergency amendment may be considered if three-fourths of the convention delegates present agree to do so (provided that a quorum is present).

Section 5 - Required Vote to Pass Amendments
