

People Requiring Equality w/in Systemic Systems (PRESS) New Mexico

2021 Legislative Agenda

Local/State Agenda:

1. End qualified immunity
2. Defund the police and reallocate funds directly into education system, housing, and mental health
3. Mandatory implicit bias training for all state employees
4. Place mental health care providers in schools
5. Provide a public report of officers involved in race related and excessive force incidents that is posted and accessed by the community via the state websites
6. Create a three strikes your out system within the police department...that includes retraining, demotion, and termination
7. Create a Community Safety and a Violence Prevention Department
8. Add mental health caseworkers to assist with non-emergency calls and DO NOT allow the police to go with the case workers
9. Demand transparency within the police department; reform has been going on for six years with no results.
10. Separate department for where abused spouses of first responders can seek assistance

Federal Agenda:

11. Financial support provided for all Americans during the pandemic
12. Department of Justice who will perform risk assessments on rouge police departments
 - a. Request DOJ reopen cases of Black people killed by the police
13. Universal healthcare
14. Reparations for the Black Community
