

Prioritizing Attendance around the Holidays

Dig Deeper! Visit presentsc.com for more resources.

As the holidays approach, we want to help make attendance a top focus for your student.

Students will be learning right up until the start of the holiday break, so it is important to make sure they are present for all instructional time.

See below for a few tips on making attendance a priority!

Quick tips to keep your student coming to school before a holiday break:

Avoid taking off extra days around holiday breaks.

Use the school's calendar to help plan your vacation time to ensure that your student doesn't miss instructional days.

Continue to talk with your student about the importance of showing up to school every day.

Let your student know they will be able to enjoy a break from school during the school's allotted break time. Encourage them to work hard up to that day.
